**U.S. DEPARTMENT OF COMMERCE TO HELP SHOWCASE U.S. COMPANIES
At Expo Rebuild Chile International, Concepción, Chile, October 12 – 14, 2010**

WASHINGTON, D.C., August 16, 2010 -- U. S. companies interested in developing new business contacts at a significant national trade event in Chile should consider participating at **Expo Rebuild Chile International**. This event, which will provide business development possibilities for companies with products and services to meet Chile's needs following the February 2010 earthquake, will be held **October 12-14, 2010, at the SurActivo Espacio Ferial y de Eventos in Concepción, Chile**.

Expo Rebuild Chile International is a follow-on to a previously certified trade event **REBUILD CHILE EXPO 2010 held in Santiago, Chile, June 15-17, 2010**. **Expo Rebuild Chile International** responds to Chile's need for immediate, medium and long term rebuilding in the wake of the massive earthquake and tsunami in February 2010. U.S. exhibitors at **Expo Rebuild Chile International** will have U.S. Commercial Service support on site.

Pictures showing highlights of the first show, **REBUILD CHILE EXPO 2010**, can be found at: [RebuildChileExpo Highlights](#). In addition to the three day trade show, **Expo Rebuild Chile International** will feature presentations from representatives from the Chilean Ministries of Reconstruction, Public Works, Housing, Energy, Finance and Health. A detailed program itinerary will be available shortly. Copies of the Power Point Presentations from the REBUILD CHILE EXPO 2010 Conference program can be requested at [RebuildChileExpo Presentations](#). Information about **Expo Rebuild Chile International** can be found at: [ExpoRebuildChileInternational-Show Brochure](#)

U.S. companies have three participation options:

EXHIBITOR: U.S. companies interested in exhibiting can find the application at: [Space Application](#)

EXECUTIVE CLUB: For those able to attend but unable to exhibit, the "Executive Club" package provides many of the same participation benefits as exhibitors. The Executive Club package includes access to the show, admittance to the conference, and use of shared meeting facilities. The Executive Club application can be found at: [Executive Club Application](#)

PRODUCT CATALOG DISPLAY ONLY: For those companies that cannot attend the event, the Product Catalog Display Only option is a solution. Your company will be represented through your product literature in a dedicated catalog display area. Applications can be found at: [Catalog Display Application](#)

Rebuild Chile Expo 2010 is organized by Kallman Worldwide Inc. For additional information contact: Peter McKenna Tel: 201-251-2600 Ext. 124, e-mail: PeterM@Kallman.com.
